

## REMARKS

In the previous Amendment After Final, the claims 1-6 were cancelled without prejudice. Claims 1-6 were to Group I drawn to a heat pipe, classified in Class 165, subclass 104.21 as provided in the Office Action dated July 6, 2001, paper number 4.

The newly presented claims 22-35 are also drawn to a heat pipe and are part of Group I as elected and filed on July 17, 2001 in the Amendment to the Office Action dated July 6, 2001, paper number 4. The claims 22-35 also particularly point out and distinctly claim subject matter regarded as the invention.

In view of the foregoing, it is respectfully requested that the rejection be withdrawn and it is respectfully asserted that the claims are now in condition for allowance.

### Request for Allowance

It is believed that this Amendment places the above-identified patent application into condition for allowance. Early favorable consideration of this Amendment is earnestly solicited.

If, in the opinion of the Examiner, an interview would expedite the prosecution of this application, the Examiner is invited to call the undersigned attorney at the number indicated below.

Respectfully submitted,  
Sierra Patent Group, Ltd.
